PTA-698SC-001

Brand: Parsec Technologies
Product Code: PTA-698SC-001
Availability: In Stock
Weight: 0.00kg
Dimensions: 168.00mm x 0.00mm x 0.00mm
Call for Price: 1-514-697-2327

Short Description

LTE SMA Connector Antenna

Description

Parsec's PTA-698SC-001 Antenna is an omni-directional, multi-band LTE antenna that provides broadband cellular band coverage for indoor M2M module applications. The PTA-698SC-001 antenna is especially well suited to mounting directly on the back of a product.
