# **R50**

**Brand:** Raveon **Product Code:** R50 **Availability:** In Stock

Weight: 3.50oz

**Dimensions:** 90.00mm x 51.00mm x 0.00mm

**Call for Price**: 1-514-697-2327

**Short Description** 

### Raveon

## \*\*\*Coming Soon\*\*\*

The RV-R50 Skyline Base Station is a fully contained wireless hub for use with Raveon's M50 series radio modems and GPS transponders.

## **Description**

The RV-R50 Skyline Base Station is a fully contained wireless hub for use with Raveon's M50 series radio modems and GPS transponders. It uses either LoRa or DART WAN protocols to communicate with 1 to millions of Wireless Devices (WDs). Its powerful Intel motherboard enables R50's on the same system automatically mesh together to form as large of a network as desired.
